

# Honored by a Grateful Patient

## QUARTERLY REPORT

Our **honor your CAREGIVER** program provides an opportunity for patients and family members to recognize their caregivers through a gift, no matter how large or small, to the South Shore Health System Foundation.

We are pleased to offer this quarterly report which highlights caregivers who have been honored by a Grateful Patient, illustrates recent results, and, hopefully, encourages more participation in our Grateful Patient Program.

Thank you for the extraordinary care you provide to our patients and families, as one. For more information on how you can become involved, please contact Tamar Schiess, Philanthropy Officer, at (781) 624-8600 or [tamar\\_schiess@sshosp.org](mailto:tamar_schiess@sshosp.org).
