

# Honored by a Grateful Patient

## QUARTERLY REPORT

Our **honor your CAREGIVER** program provides an opportunity for patients and family members to recognize their caregivers through a gift, no matter how large or small, to the South Shore Health System Foundation.

We are pleased to offer this quarterly report which highlights caregivers who have been honored by a Grateful Patient, illustrates recent results, and, hopefully, encourages more participation in our Grateful Patient Program. Each gift helps us meet the goals of *Mission Critical: The Campaign for Our 2nd Century*. Thank you for the extraordinary care you provide to our patients and families, *as one*.

For more information on how you can become involved, please contact Jessica Symonds, Director of Major Gifts and Capital Campaigns, at (781) 624-8847 or [jsymonds@southshorehealth.org](mailto:jsymonds@southshorehealth.org).
